Letter Of Recommendation

I am writing enthusiastically for the recommendation of Mr. Shiva Prasad KS for his Masters in Computer Science. As a Sr Manager at Centurylink, during [2019 - present] of his employment, Mr. Shiva Prasad worked under my supervision as Software Engineer and I, therefore, had an ample opportunity to observe his skills, demeanor and work habits.

Mr. Shiva Prasad KS is an excellent problem solver, which helped boost the work with his solutions or the alternative given by him to overcome the issue always helped in resolving. In addition, he is an excellent communicator and has the skill and personality to be a leader. Mr. Shiva Prasad KS brings to all his activities energy, enthusiasm, and Commitment.

Shiva Prasad KS is well equipped to grow from the challenges that he is presented with. His patience towards solving problems is immense and very much focused until he finds a solution or another way of approach to resolve, strong programming skills. He was hired as UI developer, regardless of his zone, he showed interest in DevOps and learned Docker, Kubernetes, Jenkins, GOCD, GCP. Apart from this, he possesses a good grip on python, angular, vuejs, nodejs, mongodb, postgresql. Participated in all the workshops endorsed by the organization

Not only he excels in his work, but also, he is intrigued by participating in the hackathons and cultural events during the events, festivals, and also participated in the Cricket tournament conducted in the organization.

I wish him grand success in all his future endeavors.

Sincerely/Regards,

Yours Sincerely
